To Judge Mosier:

I recently was sent information regarding a "Going Away Party", given by the Falls Event Center – Saint George, UT. As a couple who has lost ALL of our retirement money and don't have the years to build it back, they'll have to excuse me for feeling that this is not a cause for celebration. Maybe I've lost my sense of humor, but I found the cartoon in poor taste and not funny. Losing sever hundred thousand dollars is not funny.

I would like to know where the people at the Falls Event Center in Saint George, Utah, are getting the money for this celebration. The greed and apparent fraud on the behalf of Steve Down and Susan Knight have taken more from my husband and I than just money. They have stolen our way of life. At 74 years of age, when we should be able to retire, take a vacation, eat out in nice restaurants, help our grandkids with college expenses, etc. This is all a thing of the past. My husband is now working 5 days a week. But we will never be able to save up enough money to retire on.

Have other Falls Event Centers thrown their own "Going Away Party and we just didn't hear about it?

Maybe this isn't important in the light of this mess of a bankruptcy that has ruined so many, but I just wanted you to know.

Sincerely,

Dr Richard F Martin

The Falls Event Center would like to invite our Beautiful community that supported us within the past 5 years to our Going Away Party. We wanted to thank all the vendors as well who were apart of our many celebrations at the Falls Event Center. Come celebrate one last time at The Falls Event Center from 12pm to 4pm and enjoy Magleby's delicious cakes and lemonade.

As seen today on TFEC's Facebook page, looks like you are going to have to RSVP if you want to know the date. -John
