NARRATIVE**

For the Period Ending: 3/31/2019

Please provide a brief description of any significant business and legal actions taken by the debtor, its creditors, or the court during the reporting period, any unusual or non-recurring accounting transactions that are reported in the financial statements, and any significant changes in the financial condition of the debtor which have occurred subsequent to the report date.

The Debtor filed its chapter 11 voluntary bankruptcy petition on October 17, 2018. This report provides information on the operations of the Debtor for the period March 1, 2019, through March 31, 2019.

The Debtor is a holding company holding property operated by The Falls Events Center, LLC, (See Case 18-25116). All revenues and expenses are reported by The Falls Events Center, LLC.

On November 27, 2018, the Court entered an Order appointing Michael F. Thomson as Chapter 11 Trustee. The Trustee and his accountants and financial advisors are in the process of analyzing and investigating the Debtor's assets and liability balances. Therefore, future monthly operating reports may be revised to reflect such examination and assets and liabilities may change significantly and materially. Amounts reported in this report and in the future may change based on this ongoing analysis. For example, the book value of the real estate reported by the Debtor may be overstated. We are in the process of obtaining valuations or appraisals of the properties.

Asset and liability balances may be over or under stated and are subject to material modification. The financial statements may change as information becomes available. The Trustee may dispute the nature and amount of the assets and liabilities presented in these financial statements.

As new information and evidence becomes available, the balance sheet will be updated to reflect the correct amounts of assets and liabilities. That liabilities and assets may be omitted, listed and/or adjusted on the Debtor's balance sheet does not necessarily reflect the final opinion as to the eventual treatment of the assets and liabilities in a plan of reorganization or otherwise.
