Michael F. Thomson, the duly appointed Chapter 11 Trustee (the “Trustee”) for The Falls Event Center LLC (“TFEC”), which is the sole member and manager, either directly or indirectly of the other above-captioned debtors, as well as non-debtors The Falls at Austin Bluffs, LLC; The Falls at Cutten Road, LLC; The Falls at Stone Oak Parkway, LLC; The Falls at Beaverton, LLC; and The Falls at Roseville, LLC, hereby files this *Memorandum of Law in Support of Chapter 11 Trustee’s Motion To Substantively Consolidate The Falls Event Center, LLC With Debtors The Falls at Fresno, LLC, The Falls at Gilbert, LLC, The Falls at McMinnville, LLC, The Falls at St. George, LLC, And The Falls of Littleton, LLC; And Non-Debtors The Falls at Austin Bluffs, LLC, The Falls at Cutten Road, LLC, The Falls at Stone Oak Parkway, LLC, The Falls at Beaverton, LLC, And The Falls at Roseville, LLC* (the “Motion”).

Pursuant to the Motion, the Trustee requests entry of an Order substantively consolidating the above-listed entities (collectively the “Falls Parties”) with TFEC as of the TFEC Petition Date (as defined below). In support of the Motion, the Trustee has filed concurrently herewith the *Declaration of Michael F. Thomson, Chapter 11 Trustee of The Falls Event Center LLC* (the “Trustee Declaration”), the *Declaration of Gil A. Miller* (the “Miller Declaration”), and states as follows:

JURISDICTION AND VENUE

1. On July 11, 2018, TFEC filed a petition seeking relief under Chapter 11 of the Bankruptcy Code (the “TFEC Petition Date”).
2. The Court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).
3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

TFEC and the Affiliated Companies

4. TFEC operates event centers located in multiple states and a water park located in Oregon. It also is the sole member and manager of fifteen “Affiliated Companies” described below. Trustee Declaration ¶ 4.

5. Eight of the Affiliated Companies own or lease the real property where business operations take place, as follows:

- a. The Falls at Elk Grove, LLC (“Elk Grove”) previously held title to real property located at 8280/8290 Elk Grove Blvd., Elk Grove, California, where an event center is operated by TFEC. That real property was sold at a post-petition foreclosure sale and TFEC now leases the real property directly from the current owner.
- b. The Falls at Fresno, LLC (“Fresno”) holds title to real property located at 4105 W. Figarden Dr., Fresno, California, where an event center is operated by TFEC.
- c. The Falls at Gilbert, LLC (“Gilbert”) holds title to real property located at 4635 East Baseline Road, Gilbert, Arizona, where an event center is operated by TFEC.
- d. The Falls of Littleton, LLC (“Littleton”) holds title to real property located at 8199 Southpark Ct., Littleton, Colorado, where an event center is operated by TFEC.
- e. The Falls at McMinnville, LLC (“McMinnville”) holds title to real property located at 510 Northeast Captain Michael King Smith Way, McMinnville, Oregon, where an event center and Wings and Waves Waterpark (the

“Waterpark”) are operated by TFEC. The Waterpark operations are a dba of TFEC, but the real property on which the Waterpark sits is titled in the name of McMinnville.

- f. The Falls at Roseville, LLC (“Roseville”) holds title to real property located at 240 Conference Center Dr., Roseville, California, where an event center is operated by TFEC.
- g. The Falls at St. George, LLC (“St. George”) holds title to real property located at 170 South Mall Drive, St. George, Utah, where an event center is operated by TFEC.
- h. The Falls at Trolley Square, LLC (“Trolley”) leases real property located at 580 S. 600 E, Salt Lake City, Utah, where an event center is operated by TFEC.

Trustee Declaration ¶ 5.

6. The other seven Affiliated Companies own real property and have no other business operations. The Trustee understands that former management acquired these properties to either construct event centers or convert existing structures into event centers. These Affiliated Companies are as follows:

- a. The Falls at Austin Bluffs, LLC (“Austin Bluffs”) holds title to real property located at Township 13 South Range 66 West El Paso County, Colorado.
- b. The Falls at Beaverton, LLC (“Beaverton”) holds title to real property located at 12655 Southwest Miliken Way, Beaverton, Oregon.
- c. The Falls at Bricktown, LLC (“Bricktown”) holds title to real property located at 108 East California Ave., Oklahoma City, Oklahoma.

- d. The Falls at Burr Ridge, LLC (“Burr Ridge”) holds title to real property located at 120 Harvester Drive, Burr Ridge, Illinois.
- e. The Falls at Clovis, LLC (“Clovis”) holds title to real property located at 250 & 270 North Clovis Ave., Clovis, California.
- f. The Falls at Cutten Road, LLC (“Cutten Road”) holds title to real property located at 13455 Cutten Road, Houston, Texas.
- g. The Falls at Stone Oak Parkway, LLC (“Stone Oak”) holds title to real property located at S. Side of Stone Oak Parkway West of Highway 281, San Antonio, Texas.

Trustee Declaration ¶ 6.

Management

7. All of the Affiliated Companies are wholly-owned subsidiaries of TFEC. Trustee Declaration ¶ 7.

8. Since their inception, TFEC and the Affiliated Companies have had common managers, and TFEC has directed all actions of the Affiliated Companies. Trustee Declaration ¶ 8.

9. Steven L. Down (“Down”) founded TFEC, and from 2011 to 2018, he was the Chief Executive Officer. Down and his brother, David W. Down, were also managers of TFEC and the Affiliated Companies. [Case No. 18-25116, Docket No. 72, ¶ 29.]

10. The Trustee is informed that on or about June 28, 2018, Brooks Pickering became Chief Restructuring Officer of TFEC. Trustee Declaration ¶ 9.

11. On or about August 30, 2018, Mr. Pickering resigned and Gil A. Miller appointed Chief Restructuring Advisor [Docket No. 99]. Mr. Miller served in this role until the appointment of the Trustee.

12. On November 27, 2018, the Court entered an *Order Approving Appointment of Chapter 11 Trustee*, approving the appointment of the Trustee as the Chapter 11 trustee of the TFEC estate. [Docket No. 214].

13. The Trustee is managing the Affiliated Companies through TFEC, which is the sole member of the Affiliated Companies. Trustee Declaration ¶ 10.

TFEC Capitalization

14. Down capitalized TFEC primarily through private investor funding and hard money loans. Miller Declaration ¶ 9.

15. Prior to the Petition Date, on May 10, 2018, the Securities and Exchange Commission filed a *Complaint* against TFEC and Down in the United States District Court for the District of Utah (Case No.: 2:18-cv-00382-PMW). The Complaint, a copy of which is attached hereto as **Exhibit A**, alleges that Down had raised approximately \$120 million from approximately 300 investors since 2011, and Down misrepresented the profitability of TFEC even after he was fully informed that TFEC was not profitable and had never been profitable. On May 11, 2018, the District Court entered a *Final Judgment* in this lawsuit, a copy of which is attached hereto as **Exhibit B**, in which TFEC and Down consented to entry of the Final Judgment without admitting or denying the allegations in the Complaint, Down agreed to pay \$150,000 in civil penalties, and TFEC and Down were enjoined from violating securities laws.

16. Since the TFEC Petition Date, a review of records to date shows that information provided to investors about the profitability of TFEC's enterprise was not accurate, and that the funds obtained from operating the event center and Waterpark businesses were not sufficient to sustain the entire enterprise. Miller Declaration ¶ 10.

Affiliated Companies' Capitalization and Property Acquisition

17. None of the Affiliated Companies has ever had a source of income. Miller Declaration ¶ 11.

18. The debts of each of the Affiliated Companies have been paid by TFEC. Miller Declaration ¶ 12.

19. Each of the Affiliated Companies acquired title to real property through hard money or traditional loans that were secured by the real property they held. TFEC caused each of the Affiliated Companies to enter into these loans, and any cash down payments or debt service on the loans was made from TFEC funds. Miller Declaration ¶ 13.

20. TFEC guaranteed or is otherwise obligated for the majority of the Affiliated Companies' real property loans. Trustee Declaration ¶ 11.

Business Operations

21. TFEC's corporate office is located in a building that it leases located in West Jordan, Utah (the "Office"). TFEC runs its operations and manages each of the Affiliated Companies from the Office, and none of the Affiliated Companies have separate offices. Trustee Declaration ¶ 12.

22. All books and records of TFEC and the Affiliated Companies are located in the Office. Trustee Declaration ¶ 13.

23. TFEC has approximately two hundred and twenty-five employees. The Affiliated Companies have no employees, and to the extent that they require services they rely on TFEC. Trustee Declaration ¶ 14.

24. TFEC manages each of the Affiliated Companies without receiving compensation or remuneration, including providing bookkeeping services and attending to management of property owned or leased by the Affiliated Companies. Trustee Declaration ¶ 15.

25. TFEC's business includes operating event centers and a waterpark at the real properties held by some of the Affiliated Companies. TFEC has no written contracts with the Affiliated Companies for use of the properties. Trustee Declaration ¶ 16.

26. TFEC attends to all aspects of running the event centers and executing events, including contracting with persons wanting to hold events, securing prepayments, servicing events, contracting with vendors that assist in servicing the events, and collecting final payments. Trustee Declaration ¶ 17.

27. TFEC operates the Waterpark as a dba and has rights to its income, and it contracts with event center customers thus entitling it to income from that business as well. Trustee Declaration 18.

28. All activity for TFEC and the Affiliated Companies has always been filed on consolidated tax returns as the Affiliated Companies are considered to be disregarded entities by the Internal Revenue Service. Miller Declaration ¶ 14.

Cash Management and Accounting

29. Prior to the TFEC Petition Date TFEC had 3 bank accounts. Docket No. 72 (Schedule B).

30. Prior to the TFEC Petition Date, none of the Affiliated Companies had bank accounts, and creditors of the Affiliated Companies were therefore paid on checks issued by TFEC using its accounts. Miller Declaration ¶ 15.

31. Prior to the TFEC Petition Date, TFEC maintained two sets of accounting records. The first contained activity for TFEC corporate overhead and all activity for operating and non-operating Affiliated Companies (“TFEC QuickBooks”). The second file contained only the activity for Waterpark operations, even though the Waterpark is a dba of TFEC. Within the TFEC QuickBooks, all real property, debt and operational income and expenses of the Affiliated Companies were consolidated. Each transaction was identified to a particular “Class” representing the Affiliated Company to which the transaction related. There was no attempt made to book intercompany receivables and payables to identify TFEC’s payment of any of the Affiliated Companies’ obligations, such as debt service or property taxes. Miller Declaration ¶ 16.

32. The Trustee’s investigation, while still preliminary and ongoing and therefore subject to change, indicates that TFEC used the funds it obtained from business operations and investors to fund whatever the needs of the entire enterprise were at any given time. Miller Declaration ¶ 17.

33. The assets and business activities of TFEC and the Affiliated Companies have been treated as a single enterprise. Trustee Declaration ¶ 19; Miller Declaration ¶ 18.

The Affiliated Companies' Bankruptcy Filings

34. After the TFEC Petition Date, the following Affiliated Companies filed cases seeking relief under Chapter 11 of the Bankruptcy Code: Elk Grove (July 16, 2018, Case No. 18-25208), Gilbert (July 25, 2018, Case No. 18-25419), McMinnville (July 27, 2018, Case No. 18-25492), St. George (September 6, 2018, Case No. 18-26653), Littleton (September 24, 2018, Case No. 18-27111), Fresno (October 15, 2018, Case No. 18-27713), Bricktown (October 17, 2018, Case No. 18-27766),¹ and Clovis (October 31, 2018, Case No. 18-28140) (collectively, with TFEC, the “Debtors”).

35. As the trustee of TFEC, the Trustee manages these Debtors as debtors in possession. *See* ¶ 13, *supra*.

36. To date, the following Affiliated Companies have not sought bankruptcy protection: Austin Bluffs, Burr Ridge, Cutten Road, Cedar Park, Stone Oak Parkway, Beaverton, Roseville, and Trolley (the “Non-Debtors”).

The Affiliated Companies Proposed for Consolidation

37. Since his appointment as the Chapter 11 trustee of TFEC, which is the sole member of all the Affiliated Companies, the Trustee has engaged in investigation of TFEC and the Affiliated Companies. Among other things, the Trustee has reviewed the books and records, transaction documents, and numerous other documents relating to the business operations and potential assets and liabilities of TFEC and the Affiliated Companies. Trustee Declaration ¶ 3.

¹ The United States Trustee has recommended that this case be dismissed. The Trustee did an investigation of the assets and liabilities of Bricktown and determined that there was no equity for unsecured creditors. Accordingly, he has not contested the recommendation for dismissal.

38. Based on his investigation, the Trustee has determined, in an exercise of his business judgment, that substantive consolidation of certain Debtor and Non-Debtor Affiliated Companies with TFEC as of the TFEC Petition Date is in the best interests of creditors and all parties in interest. Trustee Declaration ¶ 20.

39. Specifically, the Trustee has determined that (a) all of the Debtors, other than Elk Grove and Bricktown, should be substantively consolidated with TFEC; and (b) the following Non-Debtors should be substantively consolidated with TFEC: Austin Bluffs, Cutten Road, Stone Oak, Beaverton and Roseville (collectively, the Debtors and Non-Debtors to be consolidated with TFEC are the “Falls Parties”). Trustee Declaration ¶ 21.

40. The Trustee has determined that there is no reason to consolidate Debtors Elk Grove and Bricktown because:

- a. Elk Grove’s real property was foreclosed on, and pursuant to an *Order Approving Stipulation and Joint Motion Under Bankruptcy Rule 4001(d)(4) for Approval of Settlement Agreement Concerning Motions for Relief from Stay Filed by Lender iBorrow, L.P.* [Docket No. 193], TFEC is now leasing the property on which its event center at that location is operated.
- b. It is anticipated that Bricktown’s Chapter 11 case will be dismissed and that its sole asset – real property – will be foreclosed on by a secured lender.

Trustee Declaration ¶ 22.

41. The Trustee has determined that there is no reason to consolidate Non-Debtors Burr Ridge, Cedar Park, and Trolley because there is no economic benefit to do so. Trustee Declaration ¶ 23.

Basis For and Benefit of Consolidation

42. Trustee's decision to seek substantive consolidation of the Falls Parties is based on at least the following considerations.

43. The evidence outlined above shows that the Fall Parties are alter egos of TFEC.

44. Substantive consolidation would make it unnecessary to quantify and prosecute intercompany claims that may exist between TFEC and the Falls Parties, thus conserving considerable resources of the separate estates or entities. For example, at this time, arguably, the Falls Parties on whose properties TFEC was conducting business have claims against TFEC for use of their properties, and TFEC has claims against each of Falls Parties for, among other things, costs of managing the Falls Parties and monies it used to purchase properties and pay the debts of the Falls Parties. The cost of quantifying these claims will likely exceed any benefit that might result. Among other things, (a) to the extent that TFEC may have claims against the Falls Parties, those Parties have no source of income to pay TFEC other than from any equity that may exist in their respective properties; (b) the Falls Parties' primary creditors are those claiming to hold claims secured by property, and therefore, any equity in the property will be paid to TFEC. Trustee Declaration ¶ 25; Miller Declaration ¶ 19.

45. Substantive consolidation would resolve corporate governance and authority issues. Trustee Declaration ¶ 26.

46. For the Non-Debtor Falls Parties, substantive consolidation would allow the Trustee to include these entities in a reorganization or orderly liquidation, including the benefits associated with bankruptcy sale provisions and bankruptcy transparency. Trustee Declaration ¶ 27.

47. Substantive consolidation would greatly streamline this case thus, among other things, reducing costs and delays related to separate administration, minimizing confusion by parties in interest created by the various cases (and non-cases), and consolidating noticing issues. Trustee Declaration ¶ 28.

48. For all of these reasons, the Trustee has determined, in an exercise of his business judgment, that substantive consolidation of the Falls Parties with TFEC as of the TFEC Petition Date is in the best interests of creditors and all parties in interest. Trustee Declaration ¶ 29.

49. In so concluding, the Trustee has considered other alternatives, but has determined that, for the reasons outlined in ¶¶ 43-47 above, substantive consolidation is the most efficient way to maximize the value of assets for the benefit of creditors. Appointment of a trustee for each of the Debtors may not be beneficial given that, in the absence of consolidation, one person likely could not serve as a trustee for TFEC and the Affiliated Companies. Multiple trustees will greatly increase administrative costs to the detriment of all creditors. Trustee Declaration ¶ 30.

Notice

50. The Trustee will give notice of the present Motion to all creditors and parties in interest.

RELIEF REQUESTED

Pursuant to 11 U.S.C. § 105(a),² the Trustee seeks to substantively consolidate the Falls Parties with TFEC as of the TFEC Petition Date.³

ARGUMENT

The Trustee respectfully requests the entry of an Order substantively consolidating the Falls Parties with TFEC, with the consolidation being effective as of the TFEC Petition Date. As discussed in Part I, this Court has the authority to substantively consolidate the Falls Parties with TFEC as requested. Furthermore, consolidation is appropriate under applicable and binding law as discussed in Part II, and for the reasons set forth in Part III, consolidation should occur as of the TFEC Petition Date. For all of these reasons, the Trustee requests that the Court grant the Motion and substantively consolidate the Falls Parties with TFEC as requested herein.

I. THE COURT HAS AUTHORITY TO SUBSTANTIVELY CONSOLIDATE THE FALLS PARTIES WITH TEFC

Substantive consolidation is an extraordinary remedy, arising out of federal common law for the purpose of advancing the equitable powers of the bankruptcy courts.⁴ The result is that “claims of creditors against separate debtors morph to claims against the consolidated survivor.”⁵

The Court of Appeals for the Tenth Circuit has stated:

² A *Motion Requesting Joint Administration and Procedural (But Not Substantive) Consolidation of Related Chapter 11 Cases* [Docket No. 86] was filed, seeking joint administration of the Debtors. In response, all of the Debtors’ cases were assigned (or reassigned) to the Honorable R. Kimball Mosier. [Minute Entry 08/28/2018]. There has not been a request for substantive consolidation to date.

³ The Trustee reserves the right to substantively consolidate with TFEC those Affiliated Companies not included herein at a later date, and by not seeking such relief at this time he is in no way making any admissions or waivers.

⁴ See 11 U.S.C. § 105(a); *In re Owens Corning, Inc.*, 419 F.3d 195, 205, 208 & 216 (3d Cir. 2005); see also *In re George Love Farming, LC*, 366 B.R. 170, 180 (Bankr. D. Utah 2007) (Thurman, J.) (recognizing same).

⁵ *Owens Corning*, 419 F.3d at 205.

The power to consolidate authorizes the court to pierce the several corporate veils and to disregard the existence of the separate corporate entities. Thus where a corporation is a mere instrumentality or alter ego of the bankrupt corporation, with no independent existence of its own, equity would favor disregarding the separate corporate entities. It is, of course, proper to disregard a separate legal entity when such action is necessary to avoid fraud or injustice.⁶

“The bankruptcy court’s power of substantive consolidation has been considered part of the bankruptcy court’s general equitable powers since the passage of the Bankruptcy Act of 1898.”⁷ This power is widely accepted under the Bankruptcy Code,⁸ including by this Court in reliance on the Tenth Circuit’s decisions in *In re Gulfco Inv. Corp.*⁹ and *Fish v. East*,¹⁰ which were both decided under the Bankruptcy Act.

As set forth in Part II below, consolidating the Falls Parties with TFEC is appropriate in this case and, as discussed in Part III below, consolidating the Non-Debtor Falls Parties with TFEC as of the TFEC Petition Date is also appropriate.

II. SUBSTANTIVE CONSOLIDATION OF THE FALLS PARTIES WITH TFEC IS APPROPRIATE UNDER APPLICABLE LAW

“The propriety of ordering substantive consolidation is primarily a factual question and is determined by a balancing of interests” of those seeking consolidation and those opposing it, if any.¹¹ In *Fish v. East*, the Tenth Circuit set forth the following ten factors to consider in a consolidation analysis:

- (1) The parent corporation owns all or majority of the stock of the subsidiary;
- (2) The parent and subsidiary corporations have common directors or officers;
- (3) The parent corporation finances the subsidiary;
- (4) The parent corporation subscribes to all the capital stock of the subsidiary or otherwise causes its incorporation;
- (5) The subsidiary has grossly inadequate capital;
- (6) The parent corporation pays the salaries or expenses or losses of the subsidiary;
- (7) The subsidiary has substantially no business except with the parent corporation or no assets except those conveyed to it by the parent corporation;
- (8) In the papers of the parent corporation, and in the statements of its officers, the subsidiary is referred to as such or as a department or division;
- (9) The directors or executives of the subsidiary do not act independently in the interest of the subsidiary but take direction from the parent corporation; and
- (10) The formal legal requirements of the subsidiary as a separate and independent corporation are not observed.¹²

¹¹ *Matter of Baker & Getty Fin. Servs., Inc.*, 78 B.R. 139, 142 (Bankr. N.D. Ohio 1987); see *In re F.A. Potts & Co.*, 23 B.R. 569 (Bankr. E.D. Pa. 1982).

¹² *Fish*, 114 F.2d at 191.

In applying these factors, the Court in *Fish* concluded that consolidation of entities was appropriate because an insolvent parent had organized subsidiaries for the purpose of delaying or hindering creditors; the parent and the subsidiary were operated as a single enterprise, with property being hopelessly commingled and funds raised by one entity being indiscriminately used by both corporations; the subsidiary did not have an existence outside of the corporate family; the subsidiary had no employees; one individual dominated and managed both companies; and the subsidiary did not act independently and in the interest of the subsidiary.¹³

In *In re Horsley*, this Court stated: “The *Guloco/Fish* criteria can be reduced into two general components: (1) the extent to which the entity to be substantively consolidated was managed or controlled by the debtor, and (2) whether the entity to be substantively consolidated had an economic existence independent from the Debtor.”¹⁴

The *Guloco/Fish* factors are met—in short, as noted in *Horsley*, the Falls Parties are controlled by common management and they have no economic existence separate and apart from each other. These entities truly have been treated as a single enterprise. See ¶ 33, *supra*. Specifically --

- the Affiliated Companies are all wholly-owned subsidiaries of TFEC, ¶¶ 4, 7, *supra*;
- since their inception, TFEC and the Affiliated Companies have had common managers, and TFEC directs all actions of the Affiliated Companies, ¶ 8, *supra*;
- none of the Affiliated Companies ever had a source of income, ¶ 17, *supra*;

¹³ *Id.* at 182, 185–86 & 189–91; see *Guloco*, 593 F.2d at 928 (discussing these facts and distinguishing same in declining consolidation).

¹⁴ *Horsley*, 2001 WL 1682013, at *4.

- the debts of the Affiliated Companies have been paid by TFEC, ¶ 18, *supra*;
- TFEC caused each of the Affiliated Companies to enter into real property loans, and any cash down payment or debt service on those loans was made from TFEC's funds, ¶ 19, *supra*;
- TFEC guaranteed or is otherwise obligated to pay many of the Affiliated Companies' loans, ¶ 20, *supra*;
- the business operations of the TFEC and the Affiliated Companies were operated on a consolidated basis, with the Affiliated Companies relying on TFEC for use of an office, employees, and management and there was no consideration provided for the same, ¶¶ 21 - 27, *supra*;
- there are no written contracts for TFEC's use of the Affiliated Companies' properties, ¶ 25, *supra*;
- the Affiliated Companies did not even have bank accounts prior to the TFEC Petition Date, and creditors of the Affiliated Companies were therefore paid on checks issued by TFEC using its accounts, ¶ 30, *supra*;
- TFEC and the Affiliated Companies have always filed consolidated tax returns and have consolidated financial records, ¶ 28, *supra*;¹⁵

¹⁵ See, e.g., *Nesbit v. Gears Unlimited, Inc.*, 347 F.3d 72, 86 n.7 (3d Cir. 2003) (noting that many bankruptcy courts have used the *In re Vecco* seven-factor test to determine if substantive consolidation is appropriate, which test considers, among other factors, "the presence or absence of consolidated financial statements"); *In re Worldcom, Inc.*, 2003 WL 23861928, at *8 (Bankr. S.D.N.Y. 2003) (considering the filing of consolidated financials as a factor in determining whether debtors were operationally integrated for substantive consolidation purposes); *In re World Access, Inc.*, 301 B.R. 217, 253-56 (Bankr. N.D. Ill. 2003) (declining substantive consolidation but noting the filing of consolidated financials with the SEC as a factor in determining the debtors' public perception to creditors for substantive consolidation).

- accounting protocols typically used for separate entities were not followed, ¶¶ 30-32, *supra*; and
- cash was used by TFEC to fund whatever needs of the enterprise were at any given time, ¶ 32, *supra*.

In short, TFEC and the Affiliated Companies are alter egos. As a result of these facts, the Trustee has determined for the reasons set forth in ¶¶ 43 - 48 above that substantive consolidation of TFEC and the Falls Parties is appropriate and in the best interests of creditors and parties in interest. Substantive consolidation is the most efficient and best way to maximize the value of assets and distributions to creditors. *See* ¶¶ 48-49, *supra*.

III. CONSOLIDATION OF THE FALLS PARTIES WITH TFEC SHOULD BE EFFECTIVE AS OF THE TFEC PETITION DATE

Consolidation of the Falls Parties with TFEC should take place as of the TFEC Petition Date. The analysis of whether to order substantive consolidation *nunc pro tunc* “closely parallel[s]” the analysis of whether to substantively consolidate entities in the first place.¹⁶ Courts have adopted two tests for *nunc pro tunc* consolidation, with the key factor under both tests being whether there was “reliance on an entity’s apparent separateness.”¹⁷

¹⁶ *In re Bonham*, 226 B.R. 56, 99 (Bankr. D. Ala. 1998) (citing *In re Auto-Train Corp.*, 810 F.2d 270, 277 (D.C. Cir. 1987)), *aff’d*, 229 F.3d 750, 771 (9th Cir. 2000).

¹⁷ *Bonham*, 226 B.R. at 99. The Trustee notes that in *United States v. AAPC, Inc. (In re AAPC, Inc.)*, 277 B.R. 785, 789 (Bankr. D. Utah 2002) (Clark, C.J.), the Court refused to allow the proposed consolidation of certain non-debtor individual and entities with a Chapter 11 debtor to be effective “*nunc pro tunc*” to the petition date. This decision was not a condemnation of *nunc pro tunc* relief, but rather a result of the fact that the party seeking consolidation had not specifically plead fraud and had not shown that notice of the proceeding had been served on all creditors of the targeted non-debtors. It was granted additional time to mend these procedural flaws. *See id.* at 790-91. In contrast to *AAPC*, the Trustee has and will submit detailed facts in support of substantive consolidation, and notice of the Motion will be served on all known creditors and investors of all affected entities.

The first test is established in *In re Auto-Train Corporation*¹⁸ where the Court of Appeals for the D.C. Circuit held that *nunc pro tunc* consolidation requires the movant to show that such consolidation is necessary to achieve some benefit or avoid some harm. If this showing is made, *nunc pro tunc* consolidation will be allowed unless any opposing party proves that it relied on the separate credit of one of the entities to be consolidated **and** that the harm to it in shifting a filing date will outweigh the benefits of *nunc pro tunc* consolidation.¹⁹

The second test for *nunc pro tunc* consolidation was set forth by the Court of Appeals for the Sixth Circuit in *In re Baker & Getty Financial Svcs., Inc.*²⁰ Under this test, the following two factors are considered in determining whether substantive consolidation should occur as of the petition date: (1) whether the creditors dealt with the consolidated entities as if they were the same, **or** (2) the affairs of the consolidated entities are so entangled that it would not be feasible to identify and allocate all of their assets and liabilities.²¹

The facts in this case support the view that substantive consolidation of Falls Parties should occur as of the TFEC Petition Date under either of these two tests. The Falls Parties had no corporate existence outside of the TFEC corporate group. The Falls Parties' affairs are so entangled with those of TFEC that it would be most efficient to consolidate them as of the TFEC Petition Date, which allows the Trustee to capture the Falls Parties' assets as assets of the consolidated estate.

CONCLUSION

Accordingly, for all of the reasons stated above and any additional reasons provided in oral argument, the Trustee requests that the Court grant the Motion and order that (1) the Falls Parties be substantively consolidated with TFEC; and (2) the consolidation of the Falls Parties with TFEC occur as of the TFEC Petition Date.

SECURITIES AND EXCHANGE
COMMISSION,

PLAINTIFF,

v.

THE FALLS EVENT CENTER, LLC and
STEVEN L. DOWN, an individual,

DEFENDANTS.

COMPLAINT

Case No.: 2:18-cv-00382-PMW

Magistrate Judge: Paul M. Warner

Plaintiff, Securities and Exchange Commission (the “Commission”), for its Complaint against defendants The Falls Event Center, LLC (“The Falls”) and Steven L. Down (“Down”) (collectively, “Defendants”) alleges as follows:

INTRODUCTION

1. This matter arises out of misrepresentations in the offer or sale of securities by The Falls and Down, its CEO and founder. Down has raised approximately \$120 million from approximately 300 investors for The Falls since 2011.

2. The Falls builds and operates small event centers that can be rented for events such as parties and weddings. Currently The Falls has eight open and operating event centers in five states.

3. The Falls offers several investment options to prospective investors. Most investors have invested in The Falls' convertible secured promissory notes (the "Notes"). The investments offered by The Falls, including the Notes, are securities.

4. Down has solicited investments in The Falls by, among other things, making presentations to groups of prospective investors during continuing education seminars that he sponsors for dentists.

5. In his presentations Down consistently represented that some or all of the event centers were and continued to be profitable. Certain of Down's representations concerning the individual event centers were untrue, however. The Falls' own accounting records indicate that, from inception through September 2017, the event centers have never been profitable on the basis of generally accepted accounting principles ("GAAP").

JURISDICTION AND VENUE

6. This Court has subject matter jurisdiction by authority of Sections 20 and 22 of the Securities Act of 1933 (the "Securities Act") [15 U.S.C. §§ 77t and 77v]. Defendants, directly and indirectly, singly and in concert, have made use of the means and instrumentalities of interstate commerce and the mails in connection with the transactions, acts and courses of business alleged herein, certain of which have occurred within the District of Utah.

7. Venue for this action is proper in the District of Utah under Section 22(a) of the Securities Act [15 U.S.C. § 77v(a)], because certain of the transactions, acts, practices, and

courses of business alleged in this Complaint took place in this district and because Defendants reside in and transact business in this district.

8. Defendants, unless restrained and enjoined by this Court, will continue to engage in the transactions, acts, practices, and courses of business alleged herein and in transactions, acts, practices, and courses of business of similar purport and object.

9. Defendants' conduct took place in connection with the offer or sale of investments, including Notes, issued by The Falls, which are securities.

DEFENDANTS

10. The Falls Event Center, LLC is a Utah limited liability company with its principal office in West Jordan, Utah. It was formed by Down in 2011. The Falls opened its first event center in St. George, Utah in the fall of 2013. Its most recent center was opened in McMinnville, Oregon in March 2017.

11. Steven L. Down, 60, is a resident of Draper, Utah. Down is the CEO of The Falls. From 2011 to the present, Down offered and sold investments to individuals either individually or through his entity The Falls.

STATEMENT OF FACTS

12. Down formed The Falls in 2011 as a Utah LLC.

13. Down is the CEO of The Falls. He directs The Falls' operations and makes decisions regarding how The Falls raises and spends investor funds.

14. The Falls opened its first event center in the fall of 2013 and currently has eight open and operating event center locations. The Falls typically purchases the land and constructs the event centers itself. The Falls also owns approximately 13 parcels of vacant land on which it plans to build new event centers.

15. The currently open and operating locations are in Salt Lake City and St. George, Utah; Elk Grove, Fresno and Roseville, California; Littleton, Colorado; McMinnville, Oregon; and Gilbert, Arizona.

16. The purchase and construction of the event centers is and has been financed through loans made by private investors, bearing interest rates of 10 to 14% per year. The Falls referred to these loans as “hard money” loans. The Falls obtained hard money loans because it was not able to obtain traditional bank financing at lower interest rates.

17. The hard money loans are secured by mortgages on the event centers. As of September 30, 2017 the principal amount of these loans was \$33.5 million.

18. Down has located prospective investors by presenting his sales pitch for The Falls at continuing education seminars that he sponsored for dentists. During the seminar lunch break, Down gave his presentation regarding an investment in The Falls. Down’s presentation, and the accompanying PowerPoint, has remained essentially the same for years.

19. In his presentation, Down always represented that many if not all of the event centers were profitable even before they opened, because they were accepting event bookings before they opened. Down represented that that the event centers continued to be profitable after they opened. Down represented to investors that, after The Falls had 12 centers, it would be able to obtain institutional loans to replace the hard money loans.

20. In his presentation, Down always stated that The Falls would have 200 event centers by 2022. He always represented that each event center would earn gross revenue of \$1 million per year and cover expenses of approximately \$650,000, leaving profit of approximately \$350,000, or 35%, per year.

21. In his presentation, Down always stated that therefore the 200 projected centers would bring in net income of \$70 million per year, and that The Falls would achieve a price/earnings ratio of 40, causing it to be worth \$2.8 billion by the time it has 200 centers in 2022. He always forecasts that, after 2022, the company will either go public or be bought out.

22. Prospective investors were often flown to Salt Lake City or to one of the other event centers, and given an opportunity to meet the executive team of The Falls. They were provided with the company's private placement memorandum, its current Business Plan Summary and its most recent quarterly investor newsletter.

23. Investors usually invested in The Falls' Notes. As of September 30, 2017 The Falls had approximately \$78 million in Notes outstanding. As of that date, accrued interest expense related to these Notes on the company's profit and loss statement was nearly \$2 million.

24. After investing, investors did not receive any updated disclosures from The Falls other than a quarterly investor newsletter that often included a letter from Down on recent events.

25. The Falls maintained its books using QuickBooks software, which generates financial statements in accordance with GAAP. Beginning in approximately 2011, The Falls' chief financial officer ("CFO") provided Down with reports each month that included GAAP profit and loss statements for the individual event centers.

26. In 2014, Down and other company executives decided to generate a new type of monthly profit and loss statement for the event centers, using the figure for event bookings instead of the GAAP revenue figure. They called these statements "modified accrual" profit and loss statements.

27. Accordingly, at the direction of Down and the other executives, the CFO began preparing monthly profit and loss statements using bookings instead of GAAP revenue.

28. The CFO e-mailed these statements in internal reports to Down and other executives almost every month from 2014 until the CFO left the company in March 2017.

29. In his presentations to investors, Down did not disclose that The Falls was using “modified accrual” profit and loss statements.

30. In the first half of 2016 the CFO attended an investor presentation by Down. After hearing the presentation he told Down that Down had to stop telling prospective investors that the centers were making a profit, because they were not doing so.

MATERIAL MISREPRESENTATIONS AND OMISSIONS

31. In a newsletter The Falls sent out between January and August 2014, Down stated: “The Falls at St. George is now profitable and gaining momentum. A monthly return on revenue of 35% is looking possible sometime this year!” According to The Falls’ QuickBooks, however, St. George experienced a net operating loss in every month but one from January to August 2014. Over this period St. George had a net operating loss of \$81,531. According to the “modified accrual” P&Ls, from January to August 2014, St. George had a net operating loss of \$57,035, with only three out of eight months showing net profit.

32. In a letter to investors included in an October 2015 investor newsletter, Down stated, “[w]e currently have five event centers operating; each one operating profitably.” These five would have been St. George, Elk Grove (two buildings) and Fresno (two buildings). Through September 2015, however, QuickBooks shows that St. George lost \$104,757; Elk Grove lost \$657,261; and Fresno lost \$102,682. On a “modified accrual” basis, this statement is false as to St. George and Elk Grove.

33. Between February 2016 and December 2016, Down told four investors that the centers were profitable. On a GAAP basis, for the 2016 year, however, the company's QuickBooks reflects that all centers had net losses. On a "modified accrual" basis, for the 2016 year, only two out of the eight centers were profitable.

34. In a presentation to a group of investors in January 2017 in Seattle, Down stated: ". . . we went into Elk Grove and built these two buildings. These two buildings were profitable in month one. We're getting about 35 percent return this year." On a GAAP basis, and even on a "modified accrual" basis, Down's claim that Elk Grove was "profitable in month one" was incorrect. Elk Grove opened in November 2014. For its first month, its net loss was \$114,268. In its second month, its net loss was \$84,186. On a "modified accrual" basis, Elk Grove lost \$67,689 in its first month and lost \$52,813 in its second.

35. In March 2017, Down told an investor that "the Fresno buildings were profitable in the first month." On a GAAP basis, this statement is incorrect. Fresno opened in August 2015. In its first month, its net loss was \$52,434. Only on the "modified accrual" basis is this statement correct. On that basis Fresno had net income of \$12,914 in its first month.

DOWN'S NEGLIGENCE

36. Down was at least negligent in making representations to investors regarding the profitability of individual event centers. Down was the CEO of The Falls and had ready access at all times to all its financial information. In fact, profit and loss information was regularly provided to him by executives at The Falls.

37. From the inception of The Falls until at least 2014, The Falls' CFO provided Down with a QuickBooks profit and loss statement for the event centers, prepared on a GAAP basis.

38. Beginning in 2014 and continuing until March 2017, The Falls' CFO provided Down with "modified accrual" profit and loss statements for the event centers by e-mail every month.

39. From the first half of 2016 forward, Down was informed on numerous occasions by members of his executive team at The Falls that the event centers were not profitable. They informed Down that the centers were not close to achieving \$1 million in annual gross revenue or 35% profit per center, as Down was representing to investors. They informed Down that his event center model was unsustainable because of the huge amount of mortgage debt on the event centers and because of the tens of millions of dollars of Note principal and accrued interest.

40. Down was at least negligent in not reviewing, or assimilating, the profit and loss information provided to him by The Falls' CFO, while continuing to make false representations to investors that the event centers were profitable.

41. In his presentations to investors, Down did not disclose that The Falls was using "modified accrual" profit and loss statements. Down was at least negligent in not making these disclosures to investors.

42. Either the GAAP profit and loss statements or the "modified accrual" profit and loss statements would have shown Down that he was mistaken in touting the profitability of the event centers in the course of raising money from investors.

Case No.: 2:18-cv-00382-JNP

Judge Jill N. Parrish

**FINAL JUDGMENT AS TO DEFENDANTS THE FALLS EVENT CENTER, LLC
AND STEVEN L. DOWN**

The Securities and Exchange Commission (the “SEC”) having filed a complaint and Defendants The Falls Event Center, LLC and Steven L. Down (collectively, “Defendants”) having entered a general appearance; consented to the Court’s jurisdiction and the subject matter of this action; consented to entry of this Final Judgment without admitting or denying the allegations of the complaint (except as to jurisdiction and as otherwise provided herein in paragraph V); waived findings of fact and conclusions of law; and waived any right to appeal from this Final Judgment:

I.

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that Defendants are permanently restrained and enjoined from violating Section 17(a)(2) of the Securities Act of 1933 (the “Securities Act”) [15 U.S.C. § 77q(a)(2)] in the offer or sale of any security by the use

of any means or instruments of transportation or communication in interstate commerce or by use of the mails, directly or indirectly, to obtain money or property by means of any untrue statement of a material fact or any omission of a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

IT IS FURTHER ORDERED, ADJUDGED, AND DECREED that, as provided by Federal Rule of Civil Procedure 65(d)(2), the foregoing paragraph also binds the following who receive actual notice of this Final Judgment by personal service or otherwise: (a) Defendants' officers, agents, servants, employees, and attorneys; and (b) other persons in active concert or participation with Defendants or with anyone described in (a).

Payments shall be deemed made on the date they are received by the SEC and shall be applied first to post judgment interest, which accrues pursuant to 28 U.S.C. § 1961 on any unpaid amounts due after 14 days of the entry of the Final Judgment. Prior to making the final payment set forth herein, Down shall contact the staff of the SEC for the amount due for the final payment.
