Dear Judge Mosier:

We are investors through a series of loans to The Falls Event Centers. In fact, a large portion of our retirement savings has been invested in The Falls.

We would like to voice our objections to the TFEC pacer 266, ex parte motion for leave to file certain confidential agreements under seal.

Our motivation and desire is this: to keep as much value in our investment as possible. The investors and creditors of TFEC have the right to know the truth.

You may contact us at any time. We'd be happy to answer any questions you may have.

Thank you.

Sincerely,

Al & Mary Kay Tripam
